## **1st July 2016**

Dear Parents,

This Sunday we have 4 pupils taking part in the Exe Valley Challenge. Starting at Isca College in Exeter, participants independently navigate their way around Exeter to follow a 7 or 10 mile course (dependant on age). All students have to reach a number of checkpoints as they navigate the route and must stick to the strict time limit for each leg. Please join us in wishing them all well for an enjoyable day.

The Honiton Learning Community Games which had to be cancelled due to the poor weather have now been rearranged for Friday 8<sup>th</sup> July. The event starts at 9.15am and finishes at 2.45pm. The children will have the opportunity to take part in events including running various distances, long jump, high jump, turbo javelin and a relay race. Parents are welcome to attend the event - tea and coffee will be available. A new SOE3, for the new dates and arrangements, is attached to this newsletter. Please send it back to school ASAP.

The children in Class 2 are studying Ancient Greeks and The Olympics this term and so we are **hoping** to have a joint federation Olympics at Branscombe on 20<sup>th</sup> July for the whole school. We will send out further information when things have been confirmed.

Thank you for all your continued support.

God bless and have a lovely weekend.

*Best wishes from Katie Gray and the staff at Broadhembury School*

### ★ HALL OF FAME

#### Prince George

Prince George had always been shy and had developed a stammer, which meant he could not speak for very long without struggling to say the words he wanted to say.

His elder brother, Edward, was very different. He was confident, loved to be the centre of attention and was destined to become King of England.

But soon after the coronation, King Edward announced that he was going to abdicate – to give up being king. His younger brother would now become king in his place. George was horrified! He felt sick with fright. Now he would be expected to deliver speeches and give radio broadcasts to millions! How would he be able to do this with his dreadful stammer? But George knew that it was his duty to serve his country.

He knew that he must overcome his fears and do his very best. He employed an Australian speech therapist to help him and with **perseverance** and **great courage** George was able to face the challenges ahead. When war was declared in 1939 King George gave a famous speech. He comforted and encouraged his people and won everyone's respect because they knew how brave he was being.
